gearing up intelligence machinery, greater functional integration through an institutional frame work of Operation Groups and Intelligence Groups of the UHQ at all levels, setting up of Village Defence Committees, setting up of outposts of the Security Forces and regular patrolling, improved technology, weapons and equipments for security forces etc. As part of J and K Action Plan 1998, the State Government of Jammu and Kashmir has been advised to issue photo identity card to all male habitants in the age group of 16 to 60 years living within 25 kms of the Line of Control/ International Border.

The Cabinet Committee on Security have recently approved the project of construction of fencing and flood lighting on Jammu International Border by adopting a multi-model approach, in order to check infiltration and smuggling of weapons/explosive etc.

WRITTEN ANSWERS TO UNSTARRED QUESTIONS

Coal Sector Rehabilitation Project

† l086. SHRI KAPIL SIBAL:

DR. D. MASTHAN:

Will the Minister of COAL be pleased to state:

(a) whether Government have prepared a Coal Sector Rehabilitation Project for expansion and development of coal industry;

(b) if so, the details thereof together with the amount to be spent on the project;

(c) when the project was finally cleared; and

(d) whether orders have also been placed to purchase machines worth Rs. 20,000 crores approximately for this project; if so, the dates when the orders were placed together with the names of the companies to whom the same were placed?

† Original notice of the question was received in Hindi.

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI N.T. SHANMUGAM): (a) Yes, Sir. The Coal Sector Rehabilitation Project (CSRP) has been conceived to cater for investment towards increasing coal production in the 24 sub-project under five subsidiaries i.e. Central coalfields Limited (CCL), Mahanadi Coalfields Limited (MCL), Western Coalfields Limited (WCL), South Eastern Coalfields Limited (SECL) and Northern Coalfields Limited (NCL) of Coal India Limited (CIL). The main objectives of the CSRP is to make CIL commercially viable, self-sustaining and increase coal production for meeting the future demand of the country.

(b) The total investment in the project is estimated US$ 1.69S billion, out of which US $ 1.03 billion will be co-financed by the World Bank (IBRD) and the Japan Bank for International Co operation on 50:50 ratio. The balance amount will be financed by the subsidiaries of Coal India Limited i.e. CCL,MCL,WCL,SECL and NCL.

The project consists of an investment component, technical assistance and training component. The investment component is to finance procurement of Heavy Earth Moving Machinery (HEMM) in 24 profitable mining sub-projects and also construction of Coal handling Plants (CHPs) in four of them. The technical assistance component is envisaged to finance Coal India's institutional capacity development in the project implementation, mining operations and management.

(c) The project was approved by the World Bank in September, 1997 and the loan became effective in June, 1998 and disbursement for the project was started in July, 1998.

(d) Coal India Limited has already placed the orders for purchasing the Heavy Earth Moving Machinery (HEMM) of US $ 477.89 million (equivalent of Rs. 1964.42 crores), for the five subsidiaries companies. The details of the orders/contracts for purchasing the equipments is given in the statement.
